

Polypropylene PP Y20-00

The product contains post-industrial recycled material and this confirmation is based on a risk assessment supported by analytical data generated in our testing program.

We confirm that during manufacturing of this product we do not use or intentionally add any of the chemicals restricted by the following regulations and standards and their subsequent amendments in amounts which exceed the applicable limits.

Polypropylene

PP Y20-00

The below listed substances are not used or intentionally added during manufacturing of the product. However, they may occur as unexpected impurities from the post-industrial recycled raw material but are, based on our risk assessment, not expected to exceed 0.1%(wt) or applicable classification limits.
